Lakewood Superfund Site

Area Proposed for Partial Deletion

Note:

This map has been compiled by EPA Region 10 from digital spatial data. Road locations are based on US Geological Survey Digital Line Graph (DLG) 1:24,000 scale data. Locations of monitoring wells, and the boundaries of the area proposed for partial deletion, were determined by EPA Region 10 staff using Global Positioning Systems (GPS) technology. The accuracy of the road data has not been verified by EPA; the accuracy of the GPS-collected data is approximately five (5) meters. Therefore, this map is to be used as a general representation only. EPA does not guarantee the accuracy or completeness of the information shown, and shall not be liable for any loss or injury resulting from reliance upon the information shown. Please see the accompanying report for a detailed description of the area proposed for partial deletion.
